Over 650 guests at the Awards Banquet Saturday evening, saw Robbie Roth of Blackwater, MO receive the prestigious “Grand Champion” title as Missouri’s best of the best. Roth, a driver for Fedex Freight, Inc., achieved this recognition by scoring the highest point differential above the average within his class in all three elements of skill and knowledge.

Grand Champion
Robbie Roth, Fedex Freight

June 6th & 7th, 2025 the Missouri Trucking Association hosted the 57th Annual Missouri Truck Driving Championships at the Hilton Branson Convention Center

The two-day event, sponsored by the Association's Council of Safety Supervisors, evaluated 180 drivers on a written test of their knowledge of the industry, safety and security, first aid, and fire safety. Another segment of testing included hands-on pre-trip vehicle inspections. The participants competed in their respective classes on a point-value-assessed driving skills course of six obstacles that simulate actual everyday conditions. The skills course tested drivers' ability to judge distances, maneuver tight spaces, park and position their vehicle exactly over scales, before barriers or around curves.
